Can you pick out a familiar voice in a crowd?

The Good Shepherd today invites you to pick out His voice in all the noise.

THAT MOMENT WHEN ... YOU KNOW HIS VOICE

Jesus spoke these words to enemies, who did not trust in Him.

Sheep don't listen to a strange voice.

How does Jesus know us?

But how do we know His voice?

In the Shepherd's Word, wherever and whenever it is spoken, the sheep hear His voice.

His voice is His Word.

You may have heard it, without knowing its exact sound.

But you have known this voice through others.

Here in the Gospel with your Good Shepherd, there is no threat and no rebuke.

Could you pick out your mother's voice in a crowd?
