

**Second Sunday † after the Epiphany**  
† **John 2:1-11** †  
Rev. Seth D. Bode

A good time seemed empty.

- I was alone in an airport with a canceled flight.
- I visited Israel without any family or close friends.

## **God And The Good Times**

### **1. *An invitation for Jesus***

- St. John writes that a certain family in Cana was celebrating a wedding.
- But in their plans they also invited the wedding Guest.
- This serves as a great example for us.
- During the wedding festivities the host discovered a lack of wine.
- Even in the good times, there is a need for Jesus.

### **2. *An epiphany for everyone else***

- In His own time our Lord provided.
- The festivities continued.
- The Lord Jesus provides for your material needs.
- This was a copiously joyful miracle.
- Jesus gives meaning to the good times.
