SUNDAY, 8/19 at 9:00a and 10:15a: Sunday School and the Service of Word and Sacrament at 1:00p Pastor Bode at Peace, Kokomo

- **The Children's Message** (ages 3-10) today will take place just before the hymn of the day begins.
- **Sunday School Teachers' Installation** this morning (after we sing "O Taste and See") recognizes the selfless servants among us willing to teach God's Word. It also encourages our teachers for moments of distraction or frustration, and during it we pray for success for Bethlehem's Christ-centered education efforts. God be with us as we grow together in his grace!
- **Preschool Events:** Do you pray for God's Gospel efforts through Little Town of Bethlehem? Please keep in mind the preschool open house this month on Wednesday, August 22. Or maybe you are an answer to that prayer, by coming to the September 8 Back To School Blast (and corresponding cookie contest). See more details on the bulletin boards around church!
- **Church Workday** Saturday, August 18, at 9:00 a.m. Would you like to see our property looking a little bit trimmer? Well, we need your help to get this done. Come and show your weeding and cleaning abilities at Bethlehem on Saturday, August 18, at 9:00 a.m.!
